

induction heating for heavy workpiece

United Induction Heating Machine Limited

We are experienced in Induction Heating, induction heating machine, Induction Heating equipment. They are widely used in induction heating service, induction heat treatment, induction brazing, induction hardening, induction welding, induction forging, induction quenching, induction soldering, induction melting and induction surface treatment applications
<http://www.uihm.com>

Our UM induction heating machines meet the most diverse needs including those of:

Steel, Foundry, Chemical and petrochemical industry, Industry nuclear pressure vessels, Military Equipment, Materials Science and Space, Lifting Equipment, Industrial Maintenance induction heating for heavy workpiece
